ABOUT ME

Let me introduce myself. I am Divine, a web developer. I am a graduate in Computer Science and Engineering. Though various fields of job in CS, I chose Web designing because there are it quite amuses me a lot. By nature I am a person who loves challenges and this field gives me a lot of them. It not only requires coding but also the creativeness to give the webpage a life!

I am currently working in ABC designing firm. I have an experience of about 6 years in this field. I have also completed extra certifications which keeps me updated about the field.
